concert for which I have a ticket!!! Does that suck or what? Have you gone to the 'Hotel Okura' yet? Is this the most random, incoherent letter you've ever received? (tee-hee-hee) I'm better on e-mail. Thank you again for the lovely picture of us. I look at it every day! I bet pretty soon I'll start talking to you in the picture! You look so beautiful. I still can't get over how thin my arms are in the picture!!! How is Chris? Is he enjoying work? the people? I'm curious as to what is going on w/ Nick & Jen. I hope you had a chance to talk some sense into him!!! (j.k.) Maybe if they get married^{soon} you can come to the states ... via DC!!! (not too circuitous of a route or anything!!!) Oh, Catherine, I hope you know how much I love you and how very special your friendship is to me. We'll always be close no matter how many miles are between us. I need you! I love you! Please take care of yourself. Love to you and Christ! Monica

I MISS YOU SO MUCH!!! It was wonderful to hear your voice the other day. Well, it's Sunday & I might get to see the big creep today. He called yesterday & said he's going to see if Betty can come in so I can go there. It seems that he is really trying to get me back there! Who knows???. Of course, I have my period!!! (and am really horny...but what else is new?) I hope all is well with you. I truly know how difficult it can be to assimilate to a new city--especially one where the language is so different! How are you getting by? Is the sushi really good? yummy...!!! You know what, "Ran" was on t.v. a week or so ago. "Hi Kidetora"hhh Saburo. See, I'm still really weird!!! BTW, I'm writing this card on my lap which is why it is so messy. I'm too laziy to move to my messy desk! I'm bummed because I realized that my LSAT is the day after not before the Dave Matthews
