o work this out and me being anywhere in the picture is not going to help. I was pretty upset, but it is really for the best. I'll probably send her note back to her with a small scribble that i never wanted to try to get her out of the picture so he could be with me. if i really wanted to be nasty i'd send the cards back to her, but i'm not THAT cruel. With the big creep, i told you i sent him a note right? well in it i asked to come see him on saturday. he

called on saturday and said betty couldn't come in but we'd do it sunday if s he could come in. he just called cuz he didn't want me waiting by the phone. i told him i appreciated that. he was sweet, but in a bad mood. i think he' s kind of depressed right now. well, sunday he didn't call until 5 pm and the n said he was trying to get a hold of her but he couldn't. he then called bac k 10 minutes later and said he had just gotten word that she'd be out of pocke t for two hours so i should go out fr a little while and he'd call at 7. he d idn't call at seven so at 8 i paged betty and she said he said he didn;t want her coming in late at night and we'd work it out for this week. he finally hu rriedly called me at about 9:45 and said he was busy he just called to say qui ckly we try and work it out for later. so all in all we had some very brief c alls this weekend and i hope to see him soon. oh, but he did say on saturday t indicated to me he really was working on getting me back there. well, my de ar, i love you and miss you soo much. i hope all is well with you and chris.
