

First and foremost, thank you.

My dream had been to work in Communications or Strategic Planning at the White House. I am open to any suggestions that you may have on work that is similar to that or may intrigue me.

The most important things to me are that I am engaged and interested in my work; I am not someone's administrative/executive assistant; and my salary can provide me a comfortable living in NY.

Networks:

- * Assistant producer at any of the networks
- * Kaplan -- CNN has a NY Office
- * News/political segments at MTV

Assistant to an account executive at any of the following (not administrative assistant):

- * Hill & Knowlton
- * Burson-Marsteller
- * Downey & Chandler
- * Bozell Public Relations/ Bozell Worldwide
- * Devries Public Relations

[These are agencies with which I am familiar. You may have more suggestions from the attached list of agencies in NY (Tab 1)].

- * Anything at George magazine

A note about the UN:

I do not have any interest in working there. As a result of what happened in April '96, I have already spent a year and a half at an agency in which I have no interest. I want a job where I feel challenged, engaged and interested. I don't think the UN is the right place for me.
