Dear Bob:

Pursuant to Paragraph G of the subpoena to "William Jefferson Clinton Grand Jury Subpoena #V002," and Judge Wright's ruling (as I understand it) at the conference call on January 27 I am producing herewith a copy of the President's deposition transcript we have received, with attached exhibits, taken on Saturday, January 17, 1998, in the Jones case. This document bears Bates numbers DEK228021 to DEK228326.

I am also transmitting to you herewith an additional page from President Clinton's Supplemental Responses to Plaintiff's Second Set of Interrogatories (bearing Bates number DEK227917A) which was inadvertently not transmitted to you in my production of January 28, 1998.

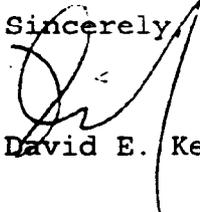

Although the materials today are physically being delivered to you instead of the grand jury, they are still being produced
